MEMORANDUM FOR: NIO/SP, NIO/NESA & NIO/E
INFO : C/NIC & VC/NIC (Meyer)
FROM : Charles E. Waterman, VC/NIC
SUBJECT : Session with State Policy Planning

1. The next in our ongoing series of sessions with State Policy Planning will occur between 1030 and 1230 on Wednesday, 22 June. I agreed with SP Chief Steve Bosworth that we would lead off the discussions by a short review of selected strategic, Near Eastern, and debt issues. Please reserve the time, and give me recommendations on what aspect of your concerns you suggest we consider with this group.

2. During our last session, Bosworth brought his appropriate "counsellors" for a give and take session after each of our presentations.
